Reminder - Aware Training

Aware is our new data analysis software component in [Eduphoria](#). It's very user-friendly and will give you an incredible amount of information about your students.

Your CITs will be at BHS on Monday, October 4th, and Tuesday, October 5th. We will be at CHS on Wednesday, October 6th, and Thursday October 7th. Please come at one of the following times: 8:45, 10:30, 12:05, or 2:30.

Great Idea - Wordle

[Wordle](#) is a tool for generating “word clouds” from text. The clouds give greater prominence to words that appear more frequently in the source text. You can tweak your clouds with different fonts, layouts, and color schemes. The images you create with Wordle are yours to use however you like.

My Tech Tip Wordle is to the right. I "wordled" this week's "Tech Tips". Need an idea for using Wordle in your classroom? [Click here for 47 ideas!](#)

Quick Tip - Folder Views

Did you know you have multiple viewing options when digging around in "My Documents"? [Click here](#) to find out how you can change from looking at icons to lists. There is also a trick on making that view stick around the next time you open those folders.

Awesome Web Site

[Discovery Education Network](#) (AKA United Streaming) has a wealth of tools and resources at your fingertips. We all know them for the fantastic video clips we use. They also have clip art, audio clips, lesson plans, a quiz builder, and more than I have room to tell you about here! The help section is actually very helpful and gives you an overview of the tools and resources found in the Discovery Education Network. [A link to the help section is here.](#)
